# About us

**Thakur Vineet Som**  
Managing Director

Since 2016, Thakur Vineet Som has led Blue Horse Elevators with a strong focus on safety, quality, innovation, and customer satisfaction, establishing it as a trusted name in India. Specializing in the design, manufacturing, installation, and maintenance of passenger and goods lifts, the company is committed to delivering reliable, high-performance elevator solutions that ensure safety, comfort, and efficiency.

# Our Vision

Blue Horse Elevators aims to lead globally with safe, reliable solutions. Their vision builds trust through excellent service and tech advancements. Committed to customer satisfaction, they transform vertical mobility. Innovation and reliability define their path to industry leadership.

# Our Mission

- To deliver technologically advanced and safe elevators.
- To exceed customer expectations with customized solutions.
- To ensure continuous growth through service excellence and innovation.

# Core Values

At Blue Horse Elevators, our core values guide every decision we make. We prioritize innovation to lead with advanced solutions, ensure safety through strict standards, maintain quality in every product, stay customer-focused with tailored services, and uphold integrity with honest and ethical practices in all our operations.

## Innovation

Constant evolution in technology and design

## Safety

Adhering to the highest safety standards

## Quality

Uncompromising craftsmanship and performance

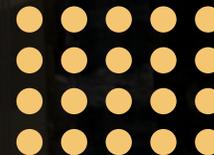

## Customer Focus

Understanding and meeting unique client needs with personalized service.

## Integrity

Operating with honesty, transparency, and ethical practices in all we do.

# Core

## PRODUCT RANGE

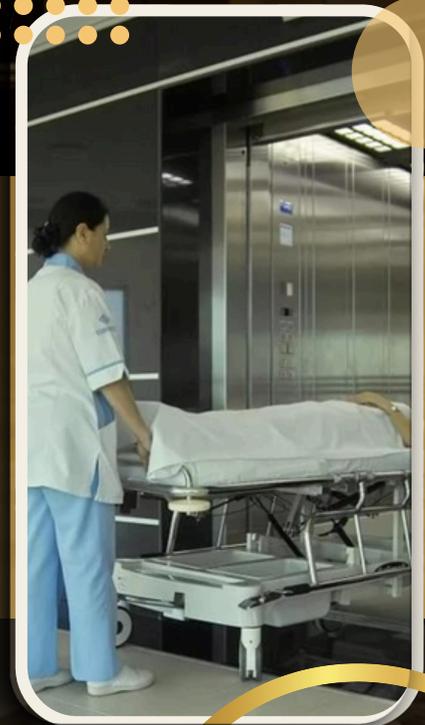

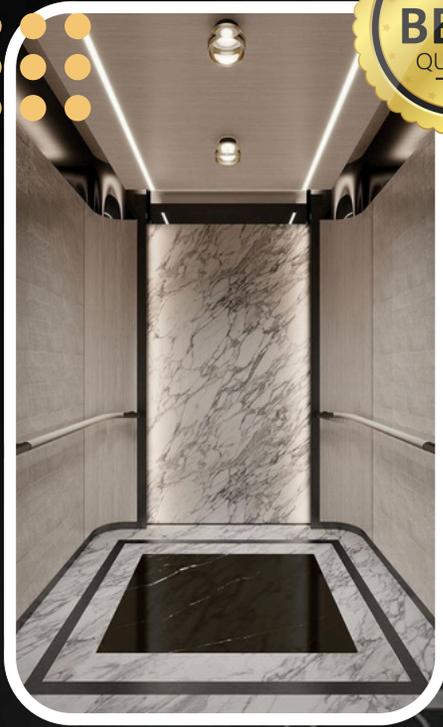

### Passenger Lifts

Welcome to Blue Horse Elevators, where we take pride in seamlessly integrating precision, safety, and innovation into every aspect of passenger lift installation. With a commitment to excellence, we elevate your spaces both aesthetically and functionally. Discover a world of reliable vertical transportation solutions tailored to your unique needs.

### Hospital Lifts

Welcome to Blue Horse Elevators, your trusted partner in enhancing healthcare infrastructure through specialized hospital lift installation and services. With a focus on precision, safety, and efficiency, we contribute to the seamless vertical transportation of patients, medical staff, and equipment within healthcare facilities. Elevate patient care with our state-of-the-art hospital lifts.

## Luxurious Lifts

Welcome to the epitome of luxury lift installation and services by Blue Horse Elevators. As a distinguished name in the industry, we bring opulence, innovation, and reliability to your living spaces. Elevate not just the floors but the standards of your residence with our exclusive range of luxurious lifts and impeccable service.

## Goods Cum Passenger Lifts

Welcome to Blue Horse Elevator's innovative Goods Cum Passenger Elevator – a versatile solution designed to meet the diverse vertical transportation needs of both goods and passengers. With precision engineering, safety features, and a commitment to efficiency, our elevator seamlessly integrates into various settings, providing a reliable and flexible solution for businesses and commercial spaces.
